

Exotic Alloys? We are your source!

Rapid Delivery: Overnight to One Week Delivery

Company:

Over 30 years of manufacturing and certified as ISO 9001:2008 & AS9100-C.

One of our specialties is providing quality exotic raw material such as **Rough Machined Bar and Tube** for severe environments.

Our Company Offers:

- Extensive variety of alloys
- Custom Orders
- Tight tolerances (.100+/- O.D./I.D.) in bar, tube, ball, block, etc.
- All common industry specs (ASTM, API, ASME, etc.) with common (i.e. heat treating) or special testing requirements (charpy, chemistry, tensile, etc.) available.

Our Alloys

- 15-5
- 17-4
- 254 SMO
- 304L
- 316-CF8M
- 316L
- 317L
- 440C
- CA6NM
- CD4MCU
- CN7M
- COBALT 12
- COBALT 21
- COBALT 6
- CY-40
- F91
- Duplex
- GA248
- Nickel
- M-25S
- M-35
- N155
- NICKEL B
- NICKEL C-CW12MW
- NICKEL F
- NICKEL G
- NICKEL-C CW2M
- STAINLESS 50
- STAINLESS 60
- other alloys available
